

# Adelaide Event Guide

# Who We Are

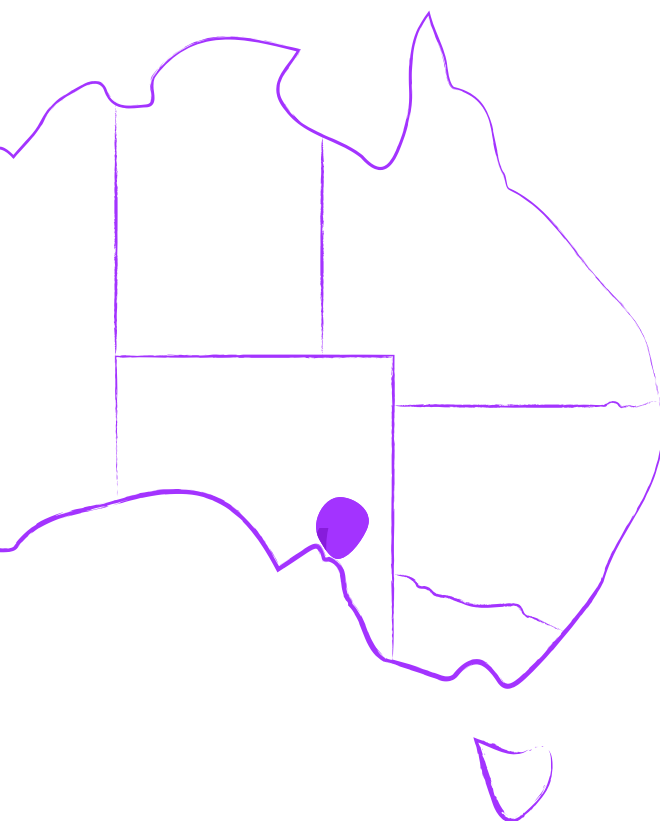

---

The Stone & Chalk Group is the largest innovation community in Australia, with a mission to create a more sustainable, tech-driven economy. We work to support our community of startups, scaleups, corporations, and governments through events, programs, advocacy, and partnerships.

At Stone & Chalk we can bring your events to life, whether you're looking for expert support to turn your idea into a reality or just the right space to activate your event.

Located in the hearts of Sydney, Melbourne and Adelaide, our four hubs are purpose built to offer endless event opportunities while tapping into the ingenuity of startups and the big players in emerging tech.

Choose from a range of different spaces to suit your individual event needs, whether it's a small intimate gathering or something on a larger scale. Our event managers can work with you to find what works best.

## Location

Marnirni-apinthe Building, Lot Fourteen, North Terrace,  
Adelaide SA 5000

# Stone & Chalk Event Guide

---

## Tap into expert advice and guidance with Stone & Chalk

We work with members of our ecosystem to bring events to life in a meaningful, impactful, and collaborative way.

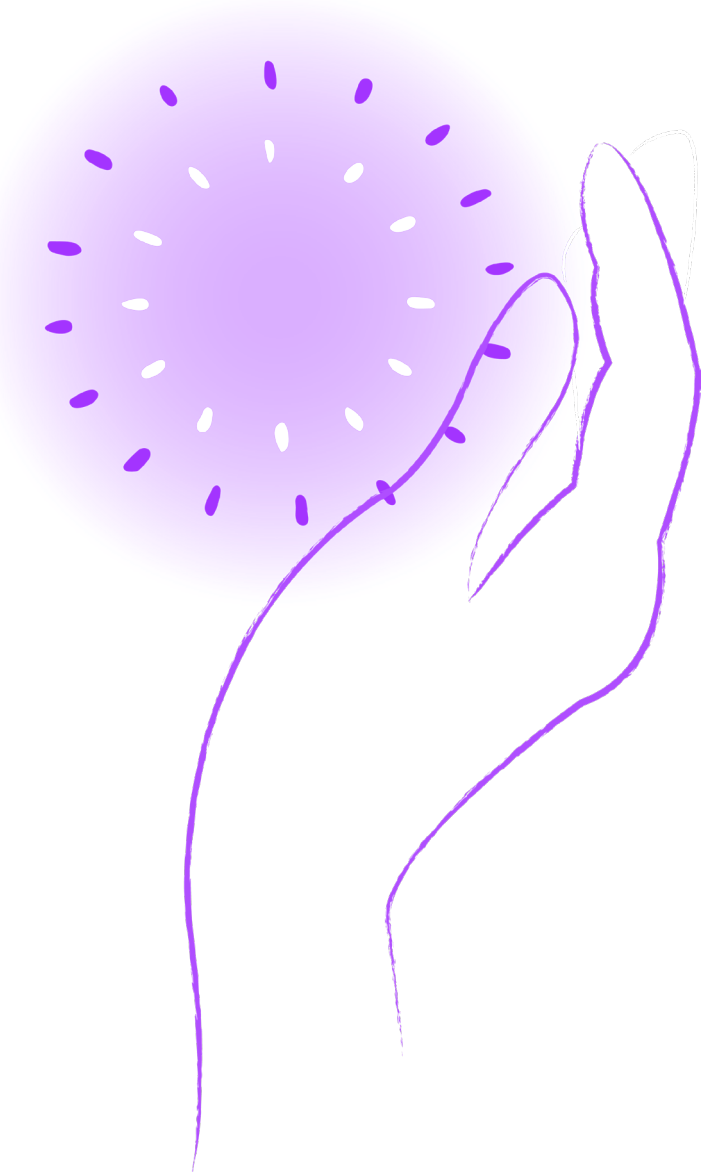

Working with us on your event means you'll have access to a vibrant team of experts to make your dream a reality.

We can offer:

- Curated experiences through format, audience targetting and content creation
- Event and logistics advice
- Marketing and promotional support
- Dynamic event space in the heart of the Adelaide Innovation District

## What type of events can Stone & Chalk help with?

- Conferences
- Panel discussions
- Industry workshops
- Networking and socialising events
- Webinars and livestreams
- Hybrid events
- Podcasts and roundtable discussions

# Tech Packages

---

Our Launch Pad boasts modern technology to provide first class experiences for your guests, allowing you to host, record, and distribute your events to your audience wherever they may be.

With our tech packages, you can:

- Present the same or different content at the same time on our two retractable screens
- Facilitate panel and group discussions with four microphones able to be used simultaneously
- Rear room TV displays create an immersive touch to the event
- Set the right mood with event music and ambient lighting throughout the space to match your brand colours

## Standard Tech

2 x HD Data Projectors  
with roof retractable  
screens

4 x Wireless  
microphones

Lectern

Rear room TV Displays

+ BYO Device

## Premium Tech

Includes standard tech  
+ access to our hybrid  
streaming system:

- Managed by your team
- Outward only

Additional tech support for pre and post production is also available.

# Spaces

---

Our event space has been architecturally designed to promote connections between teams, clients, and customers.

Experience an electric innovation culture that functions at all levels to foster creativity, learning, and community.

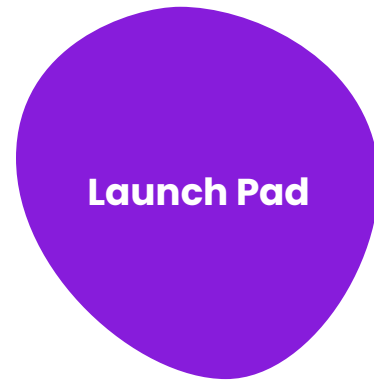

Providing end-to-end support, our team is invested in the success of every event that we host.

Prior to your event we offer a site visit to discuss your requirements and to plan the setup, leaving no detail to the last minute.

All events have a dedicated team member onsite to welcome your guests, run the AV system, and ensure the smooth running of your event.

Host your event at Stone & Chalk and take the opportunity to find out what's new across the Stone & Chalk community, and the larger emerging tech ecosystem.

This is Australia's home for emerging tech, and a great place to connect with future industry leaders.

# Launch Pad

Wheelchair  
accessible

Brightly lit with plenty of room for guests, the Launch Pad can cater to every type event you can imagine. With its flexible setup, you can effortlessly host everything from intimate workshops to industry networking sessions and panel events.

The Launch Pad has been designed to facilitate hybrid events, allowing you to connect with audiences both in-person and online, wherever they are. The multiple camera viewpoints available give virtual audiences a glimpse of the action, and our dual screens allow for virtual presenters and guests to participate.

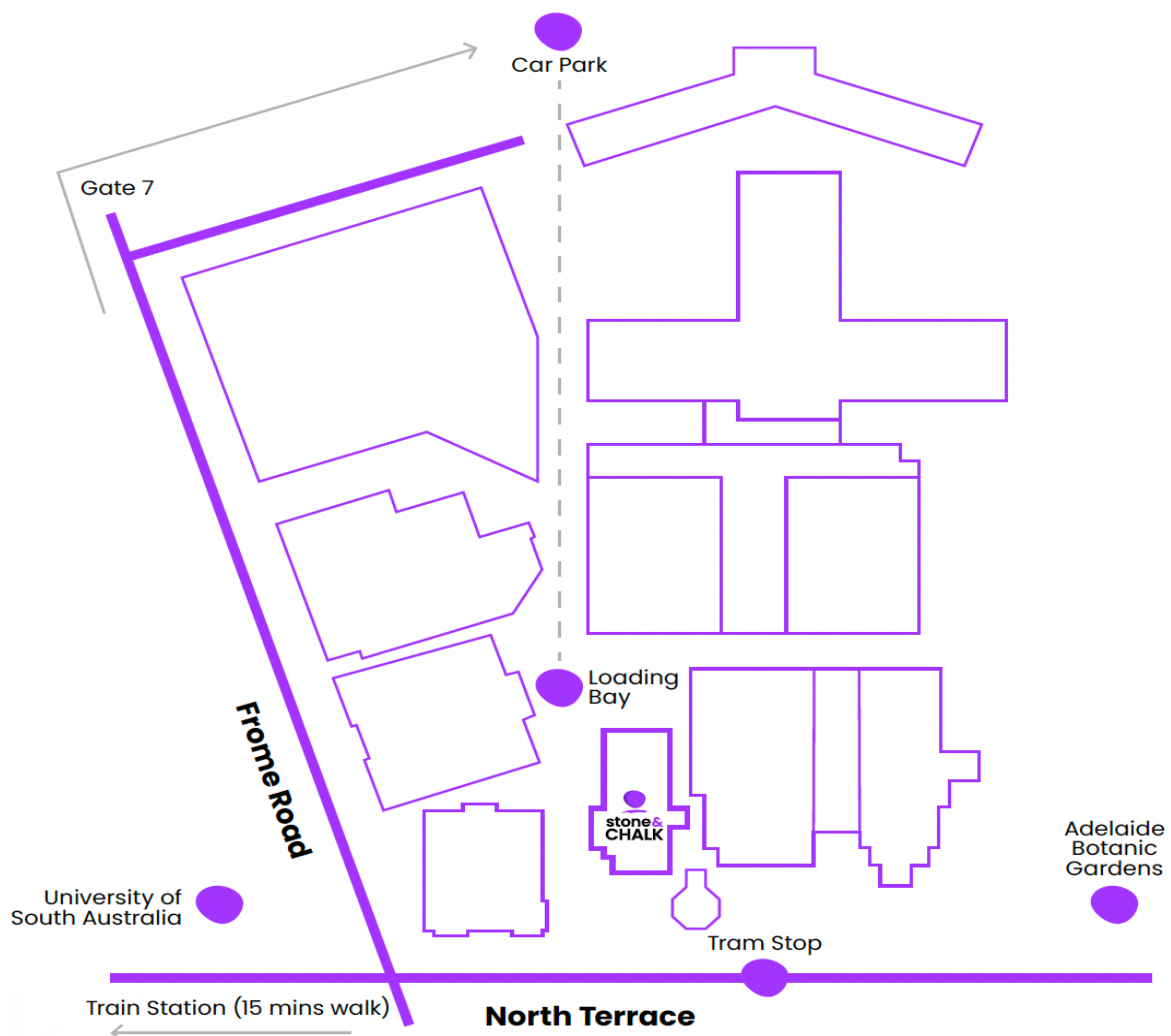

# Location

Stone & Chalk is situated at Lot Fourteen, on the corner of North Terrace and Frome Road in the heart of Adelaide.

We're easily accessible by tram with the Botanic Gardens stop at the front doorstep, and regular trains from Adelaide train station which is a 15-minute walk away. Car parking is available within the Lot Fourteen precinct.

Car parking is available across the street on Frome Road and within the Lot Fourteen district.

The loading bay is located next to Bice Building. Please contact the Event Manager to access as it is closed to the public.
