

Sydney Scaleup Hub Event Guide

Who We Are

The Stone & Chalk Group is the largest innovation community in Australia, with a mission to create a more sustainable, tech-driven economy. We work to support our community of startups, scaleups, corporations, and governments through events, programs, advocacy, and partnerships.

At Stone & Chalk we can bring your events to life, whether you're looking for expert support to turn your idea into a reality or just the right space to activate your event.

Located in the hearts of Sydney, Melbourne and Adelaide, our four hubs are purpose built to offer endless event opportunities while tapping into the ingenuity of startups and the big players in emerging tech.

Choose from a range of different spaces to suit your individual event needs, whether it's a small intimate gathering or something on a larger scale. Our event managers can work with you to find what works best.

Stone & Chalk Event Guide

Digitalise your event

Looking to run hybrid events, record webinars and podcasts, or host a livestream? Or simply wanting to present your content on a screen for your event? We've got you covered.

In each of our hubs, we're equipped to take you digital, allowing you to host, record, and distribute your events so you can reach the largest possible audience wherever they are.

We have a range of video conferencing options to suit your needs:

BYO device and connect
to our screens wirelessly
or via HDMI or USB-C

Use our technology
for screen sharing
and access to a
webcam for recording

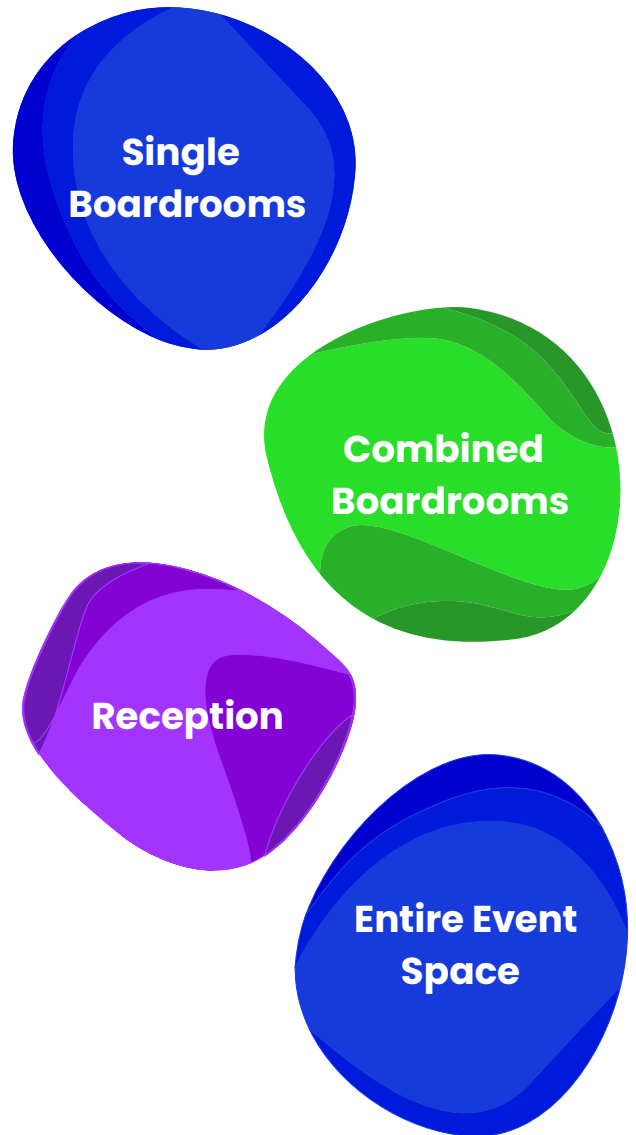

Basic Tech +
AV supplier required

Boardrooms

Whether you're looking for an intimate cocktail space for your networking event, a boardroom set up to host important meetings, or a flexible place to run workshops, our range of boardrooms will have you covered.

With the ability to cater to whatever event configuration you have in mind, our boardrooms can host everything from large scale panel events to smaller, more intimate meetings.

Meet in comfort, with access to amenities including ovens, tea, a coffee machine, and zip taps. All of our boardrooms are hybrid friendly, with complimentary wifi and either wireless or wired video sharing, allowing you to connect with others no matter where they are.
