# EVENTS AT STONE & CHALK

Stone & Chalk exists to support the growth of innovators and our community of members.

Our event spaces are an extension of that purpose.

Venue hire is prioritised for events that:

- Add value to our members and founders
- Activate or strengthen the innovation ecosystem
- Are led or co-hosted by ecosystem partners, collaborators, or organisations that are active participants in the innovation community

We do not offer the space for activities that fall outside this purpose. Requests from outside the ecosystem may be considered on a case-by-case basis, where there is clear alignment with our mission and benefit to founders.

In practice, this means:

- Priority goes to events our members can attend and benefit from
- Preference is given to organisations that are actively engaged in the innovation ecosystem
- Co-hosted and collaborative events are encouraged over private hire where possible

Our event space is for the ecosystem, not simply venue hire. Every booking is assessed on how it drives value for innovators and supports our community. As a not-for-profit, venue hire also helps us continue delivering the programs and growth support that founders need.

# WANT TO COLLABORATE?

## TYPES OF EVENTS WE SUPPORT:

- **Founder growth events** – programs, masterclasses, or clinics that directly build founder skills and capabilities.
- **Community building events** – opportunities for the ecosystem to connect, collaborate, and strengthen relationships.
- **Corporate and partner activations** – events led by or in collaboration with corporate partners that provide founders with client access, knowledge, or opportunities.
- **Ecosystem/innovation showcase events** – spotlighting innovation to the broader community, investors, or government stakeholders.
- **Policy and thought leadership events** – conversations with government, regulators, or industry leaders that advance the innovation agenda.
- **Talent and workforce events** – initiatives that connect founders with talent, students, or workforce programs.
- **Capital and investment events** – investor meetups, demo days, forums that connect founders to funding.

# WHY HOST YOUR EVENT AT STONE & CHALK?

At Stone & Chalk, innovation is built into everything we do.

We're a not-for-profit with a mission to support startups and scaleups working on emerging technologies.

When you host your event with us, you support us to help founders grow. You also connect with Australia's largest innovation community, a place where founders, corporates, government, and investors come together and create real impact.

Whether you're running a panel, pitch night, hackathon, or industry roundtable, we offer:

- Connection to Australia's startup and tech ecosystem.
- Expert guidance from our passionate team.
- Affordable, flexible venues tailored to your needs
- Support to deliver a seamless event.

# SUPPORT

## STAFFING

- An event supervisor can be organised to assist with your event from \$50 per hour.
- Event supervisors are required for all external bookings, events over 50 guests, and events held outside of business hours.
- For events over 100 guests, 2 event supervisors may be required.
- If alcohol is being served, a certified bar attendant with RSA must be booked through a catering company or Stone & Chalk, and food needs to be provided.

## ACCESSIBILITY

- All facilities are wheelchair accessible.
- Ambulant toilets available on all levels.
- Assisted hearing devices available.

## AMENITIES

- Tea and coffee stations.
- Catering kitchen with ovens and fridges.
- Parking available on request and subject to availability.

## SUPPLIERS

- All events receive access to Stone & Chalk's network of suppliers, including AV, caterers, printing companies, photographers and more.
